Thought for the day

God's values, our values

1 Corinthians 1.18-31

- Look closely at this image – what can you see?
- How does this image make you feel?
- How might trying to see things 'God's way' change your perception of others?

Living Lent is back!

During Lent 2020, we are once again invited as Christians to gather as a community and journey together towards radical change for the climate. As a global community, we are facing new and significant challenges. How do we respond as Christians? We know that our lifestyles and choices mean we have played a role in damaging creation. But many of us are also desperate to change, as we hope to see creation flourish as God designed. So where do we begin? We recognise that responding to the climate crisis is not just an activity but a lifestyle. That's why during Lent we're inviting you to take the first step by making a positive commitment towards change. Together, we will each take on one of six challenges, and in doing so gather together as a dispersed community, to explore the difference personal lifestyle change really makes in response to a global crisis. We will share in daily e-mail reflections, digging deeper into how the Lenten season of questioning and uncertainty might enable us to grapple with the challenges before us. Find out what's new for 2020 and sign up @ <https://livinglent.org/>

Green Tip

The New Year is often a good excuse for a clear out, if you're doing one, please don't forget to think about recycling or giving away those things you no longer need or want.

Birmingham City Mission's Care Centre, based in the city centre, take furniture and clothes to pass on to those in need, as well as food parcels. You might also recycle your clothes through a charity shop, or check out Shwopping, a way that Marks and Spencer partner with Oxfam to recycle clothes in their stores (whether you have shopped in M&S or not).

Foodbank shortages - can you help?

The food bank is desperately short of all items. Anything you can donate to help will be very, very much appreciated.

Fruit juice, Breakfast cereals, Soup, Rice, Pasta sauce, Tinned meat, Tinned vegetables, Tinned fruit, Tea or coffee, Sugar, Biscuits, Snacks
