**1000 Letters - Can you write a letter to those attending 3Generate?**

A letter to help them be courageous in their faith by sharing something of your own faith story. The letters will help children and young people feel connected to, and part of, the wider body of the Methodist Church.

Could you share something about your experiences of being part of a church/faith community. Maybe you remember special people or moments from growing up in a church - could you share some of that story?

For more information go to:

**Two of our young people are attending 3Generate with a group of young people from around the circuit.**
