Chaplaincy To Groups Who Use Our Premises

Monday 17th September - 7.30pm to 9.30pm

We're excited to say that Nick Jones is coming to run this session, the aim of which is to explore the possibilities to build closer relationships with groups that use our buildings, & reflect on how user-groups provide possibility for mission & not just for raising funds.

- Looking at the importance of first impressions and first contact with the Church.
- Exploring Chaplaincy and Christian Spiritual Care as models of drawing alongside those who come on to our premises.
